Product Description

Kenworth W900 Hood Latch Repair

These are for 02 & up Kenworth W900L trucks. These will fit older W900L fiberglass hoods only as an accent piece. This is a 18 gauge polished stainless steel hood strap repair kit. Ready & easy to install with aluminum backing plates and stainless steel mounting hardware included. This Kenworth hood repair accent adds a structural bond to the hood latch as well as adding a custom chrome look to your hood. Sold as a pair and also available in a paint to match version. Does not include hood latches. Shipping costs not included in the price but shipping is available. These are only for sale here at Ravenel Truck & Equipment. Go to YouTube and search for Kenworth hood latch repair for installation instructions.
